Re: Ronald H. Clark, et al. v. Your Doc's In, et al.
Civil No.: ELH-15-2254

Dear Judge Hollander:

After the pre-trial conference last Friday, the parties engaged in discussions about potentially resolving this matter without need for a jury trial. We have agreed to submit the case to a binding arbitration before an arbitrator that has been selected by the parties. As part of the agreement, the parties will submit their evidence to the arbitrator who will decide liability and if necessary, damages. Whatever that determination is, would be binding on the parties. In the event of a verdict on behalf of the Plaintiff, the parties have agreed that the Plaintiffs would execute a Release with confidentiality and after payment of the award, a Stipulation of Dismissal would be filed with the Court. In the event of a verdict for the Defendant, a Stipulation of Dismissal with prejudice would be filed immediately.

The parties respectfully request that the Court permit us to proceed to arbitration with a continuance of the trial date and after resolution by arbitration, to file the Stipulation of Dismissal.
